Python Programming - Week 1

Number of participants: 280

1. Do you have any programming experience?

200 respondents

Option	Percent	Votes
None at all	12%	24 votes
Yes, but just a little bit (e.g. I took a course or taught myself for a short project, maybe a long time ago)	62%	124 votes
Yes, a good amount, but not (or very little) Python	14%	28 votes
Yes, I've used Python a good amount	12%	24 votes

Learn useful language

improve my programming skill   very helpful to find a job   Career Upskilling   Learn Programming

Programming experience   No maths content   Self-taught   Comoulsory   Learn new skill   Compulsive course

Degree required   high salary   Bolster   i love code   CAREEER   necessary for machine learning   taking   Salary   Bored   for career a basic language

internship   experience   prepare for machine learning   good   improve fundamentals   Challenging   Compulsory Course   tools   I m good at it

Is Mandatory   Self-improvement   For my degree   Python   没有考试🙂   Mandatory 🏳   Skills   IKUN   Career shift   learn   taken   To further my career

It's compulsory   good for jobs   compulsory   喜欢   没有考试!   Career   degree   Learning   It's compulsory   finance   Machine

Coursework   take   project🙃 so easy   Also   I'm   confidence   均分高   🖐Job   Compulsory   skill   no exam   useful   Future Job   discuss   Improve skill needed

hate myself   weaboo   code   gaming   Passion   I like snakes   Interest 💕 Improve coding   fun 😵😫 love 🤍 sobbing   project experience   Hobby   studytools

Cause why not   Free marks   S2   Data science   Machine learning   just got in   marks   course   Helpful for ML   100%   Further skill in job   programming   teaching my grandma

money   want   never   Improve learning   gain   100%coursework   To get known with   Like   career development

Practical coding skills   AI and Machine Learning   enhance my ability   Gain confidence programming

mandatory course   mathematical modelling   Professional Carreer

🎗 **3. How challenging do you expect to find this course?**

179 respondents
